If you belonged to me
Nothing else would matter
I'd give you the moon and the stars
On a silver platter
Kiss you the way you should be kissed
And show you the kind of love that you missed

So hear me
Sweet baby
My heart won't lie

Chorus:
What you need is what you get
If you come to me
I'll give you love you won't regret
I'll set you free
If you believe like I believe
Boy, you know it's true
Everything you need, I'll give to you

You've been alone too long
Baby, let me help you
Show you where your heart belongs
You know I'd love to
Give you one thousand reasons to stay
Be the light in my window
If you lose your way

So don't fear
Baby, I'm right here
I'll never leave

Chorus:
What you need is what you get
If you come to me
I'll give you love you won't regret
I'll set you free
If you believe like I believe
Boy, you know it's true
Everything you need, I'll give to you

This is a promise you can keep

Just bring your broken heart to me
Baby, you know I'll always be
The one you've waited for
The girl you've dreamed of
Just let me in and you'll see

Repeat chorus 3x
