How many times did I pray  
You'd find me  
How many wishes on a star  
Gazing off into the dark  
Dreaming I'd see your face  
Safe at home unafraid  
Captured in your embrace

So many times  
When my heart was broken  
Visions of you  
Would keep me strong  
You were with me all along  
Guiding my every step  
You are all that I am  
And I'll never forget

It was you who first believed  
In all that I was made to be  
It was you looking in my eyes  
You held my hand  
And showed me life  
And I've never been the same

Since you first believed

There were times  
When I'd thought I'd lost you  
Fearing forever was a dream  
But it wasn't what it seemed  
Placing your hand in mine  
You could see in the dark  
You were guiding my heart

It was you who first believed  
In all that I was made to be  
It was you looking in my eyes  
You held my hand  
And you showed me life  
And I've never been the same  
Since you first believed

How many times did I pray  
You'd find me  
How many wishes on a star
