We used to stay up late on weekends
Talking bout our lives
You said you'd be there always
You said you'd never leave my side

Did you know, did you know
Girl I thought the whole world of you
If this is how it's supposed to be
Just so you know that its not easy

I know it's hard
My love for you is still alive
I know, I know, I know

I don't see you around here anymore
Whoa (whoa), whoa (whoa), girl this is what's
happening in your neighbourhood
You don't call (don't call), you don't write (don't write),
you never tried to keep with me
Whoa (whoa), whoa (whoa), so girl this is me saying
that I miss you

Summer holidays spent without you
It's just not the same (just not the same)
Hanging out down by the drive-in
Where we'd spend the whole day

Did you know, did you know
I'm writing this song about you
Just so one day you might hear it
And know how much you mean to me

I know it's hard
My love for you is still alive
I know, I know, I know

I don't see you around here anymore
Whoa (whoa), whoa (whoa), girl this is what's
happening in your neighbourhood
You don't call (don't call), you don't write (don't write),
you never tried to keep with me
Whoa (whoa), whoa (whoa), so girl this is me saying

that I miss you

Whoa, whoa, girl I don't see you around here
Whoa, whoa, so girl this is me saying that I miss you

I miss you, I miss you, whoa,
I miss you, I miss you, I miss you, whoa,
I miss you, I miss you, I miss you, whoa,
I miss you, I miss you, I miss you girl

I miss you
