This is a warning  
Will I see you waking up?  
This is the warning  
Prepare yourselves

All these walls are shaking  
In fear of breaking  
I'm standing still.

Will you follow?  
What are you waiting for? I'm still waiting for.  
Will you follow?  
What are you waiting for? I'm still waiting for.  
This claimed to be.  
Something else instead  
Something else instead.  
We were deceived.  
Oh, wont you bring me up  
I've become what I fear.  
I've seen who you are  
How can I just stand here?  
Oh, What you keep me up  
I've become what I hate  
I've seen who you are  
I need grace, grace, grace!  
The walls fall  
I'm buried beaneath the stones  
But I'll climb through the ruins and...  
Rise! We are the beacons!  
Make not a sound  
Must we be heard.

Will you follow?  
What are you waiting for? I'm still waiting for.  
Will you follow?  
What are you waiting for? I'm still waiting for.  
I'm spinning around and around.  
So, Rip the blinds from my deceiving eyes  
Take this life I attempt to try

You can't make me move.

These walls are shaking  
I hope we make it.

Please God break these holds.  
I can't let them go.
