Do what you want
Cos I'll do anything
And I'll take the blame
What's mine is yours
You can have all of it
And I learn to beg

Oh, the boys on the radio
They crash and burn
They fold and fade so slow

In your endless summer night
I'll be on the other side
When you're beautiful and dying
All the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight
Tonight

I want what's yours
Oh, I'd give anything and
I'll take the pain
I wait alone
For what will never come and
I throw it all away

Oh, the boys on the radio
They crash and burn
They fold and fade so slow

In your endless summer night
I'll be on the other side
When you're beautiful and dying
All the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight
Your beauty blinds

If I let you in
Under my skin
And risen every angel slain

He said he'd never, ever
Ever go
Never ever, ever go away
Baby, I've gone away

In your endless summer night
I'll be on the other side
When you're beautiful and dying
All the world that you've denied
When the water is too deep
You can close your eyes and really sleep tonight
Your beauty blinds

I know where are running to, please come back
Oh, come back again
I hear the truth, it's coming from you
Oh, come back, won't you come back again

In your endless summer night
I'll be on the other side
When you're beautiful and dying
All the world that you've denied
When the water is too deep
I will ease your suffering
When the glitter fades in morning
Turn away and you will find my empty eyes
Your beauty blinds

I know that you are rotten to the core
I know that you don't love me anymore
I know that you are rotten to the core
