Oh, make me over  
I'm all I wanna be  
a walking study  
in demonology

Hey, so glad you could make it  
Yeah, now you really made it  
Hey, so glad you could make it now

Oh look at my face  
my name is might have been  
my name is never was  
my name's forgotten

Hey, so glad you could make it  
Yeah, now you really made it  
Hey, there's only us left now

When I wake up  
In my makeup  
its too early for that dress  
wilted and faded somewhere in  
Hollywood  
I'm glad I came here with your pound of flesh  
no second billing, cause you're a star now  
Oh, Cinderella they aren't sluts like you  
Beautiful garbage, beautiful dresses

can you stand up  
or will you just fall down?

You better watch out  
what you wish for  
it better be worth it  
so much to die for

Hey, so glad you could make it  
Yeah, now you really made it  
Hey, there's only us left now

When I wake up, in my makeup  
have you ever felt so used up as this

it's all so sugarless  
hooker waitress, model actress  
oh just go nameless  
honeysuckle  
she's full of poison  
she obliterated everything she kissed  
now she's fading, somewhere in Hollywood  
I'm glad I came here with your pound of flesh

You want a part of me  
well I'm not selling cheap  
no I'm not selling cheap
