Courtney :

This song is dedicated to my first crush...

Sort of,

I guess,

Not really...

C'mon, you can't play it...

Greatist british band ever...

I had a hand full of shit,

What do I do with it?

I had a barrel of shit,

What do I do with it?

I did clean..

I did clean..

Hey, do it clean,

You know what I mean

Yeah

Do it clean,

I know what I mean

Do it clean,

I know what I mean

Do it clean

Where am I going?

Where have I been?

Where am I going?

Where have I been?

I've been here

I've been there

I've been here, there, everywhere

Here, there, nowhere

Shit, shit, shit, fuck you up everywhere

I been here,

I been there I swear
