I am doll eyes, doll mouth, doll legs  
I am doll arms, big veins, dog bait  
Yeah they really want you, they really want you, they  
really do  
Yeah they really want you, they really want you, well I  
do too

I want to be the girl with the most cake  
I love him so much it just turned to rape  
I fake it so real I am beyond fake

And someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache

I am doll eyes, doll parts, doll love  
It stands for knife, for the rest of your life

Yeah they really want you, they really want you, they  
really do  
Yeah she really wants you, she really wants you, well I  
did too

I want to be the girl with the most cake  
He only loves those things because he loves to see me  
break  
I fake it so real, I was beyond fake

And someday you will ache like I ache  
Someday you will ache like I ache  
And someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache

Someday you will ache like I ache  
And someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache  
Someday you will ache like I ache
