He's always waiting

Gotta make the move to tell her

Hot chocolate boy

He's never met one

Hot chocolate wet one

Hot chocolate boy

Deep, sweet, and bitter

Spoon out a place for breakfast

Hot chocolate boy

Hot, frosty, creamy

He was only dreaming...

Hold me down, hold me up

Tell them that I'm your gun

Pull my trigger

I'm bigger than

I'm bigger than you

Tell them what it means to be on top

Pull them down, hold me up

Tell them that I'm your gun

Pull my trigger, I'm bigger than

I'm bigger than, I'm bigger than
