Good sister bad sister
Better burn that dress, sister

Scar tissue, blood blister
Suck upon the dregs sister - whoa

.....but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and

Good sister, bad sister
You're different from the rest, sister

Choke, strangle, rip, twist her
Sell me down the river sister - whoa!

.....but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try.. I try... I try...

C'mere and sit talk about it just for a sec',
Boy you sit back down

You're choking on big, black, bloody mouthfulls of it
Left me lying in your dog descent
And choking on your candy flesh

I'll be the biggest scar in your back
Run down it jagged and naked and black
I'll be the biggest dick that you ever had
Hey want it back hey want it back you want it

Good sister, bad sister
Tell me what you want, sister
Better watch your back, sister
Even you cannot resist her - whoa

....but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and

I try but I can't and I try..I try

Sugarstar comes down to talk to me
She comes to crucify - off with her dress

I am not your ruby to grease
And sugar comes from her arteries
I'll be the biggest... scar
Run down and jagged and naked.. and black

I'll be the biggest star in your sky
You want it back you want it back
You want it back

She's in she is incredulous
? drips off her dress
She wants you in her descent
Choking on her candy flesh

I'll be the biggest scar in your back
Run down and jagged and make it back
I'll be the biggest dick that you ever had
Hey you want it back you want it back
You want it...
