He hit me and it felt like a kiss
He hit me but it didn't hurt me
He couldn't stand to hear me say
That i'd been with someone new
And when i told him i had been untrue
He hit me and it felt like a kiss
He hit me and i knew he loved me
Cause if he didn't care for me
I could have never made him mad
He hit me and i was glad
Baby won't you stay...
He hit me and it felt like a kiss
He hit me and i knew i loved him
Cause when he took me in his arms
With all the tenderness there is
He hit me and he made me feel
Baby won't you stay...
