"Hit So Hard"

Put me up above the boy
The one I love, I should destroy
My sweet tooth has burned a hole
Forget about it all

He hit so hard, I saw stars
He hit so hard, I saw God

He's cold, give him a candy coat
He can't swim but he can float
One by one they all fall down
I look at him and drown

He hit so hard, I saw stars
He hit so hard, ooh I saw God
I saw God
Just when the shining flowers
God
Your secret safe tonight
God
So much, so much to lose
God
So glad to [Inaudible]

He's so candy, my downfall
Melts in my mouth, 'til he's nothin' at all
This keeps me, I can't sleep
He rages to be true

He hit so hard, I saw stars
He hit so hard, ooh I saw God
I saw God
Just when the shining flowers
God
Our secret strength tonight
God
Look at the pretty life
God

Oh man, he hit so hard, I saw stars
He hit so hard, ooh I saw God
Ooh I saw God
