He's stupid  
I'm smarting  
He's stupid  
I'm smarting

I want my baby  
Where is the baby  
I want my baby  
Who took my baby

Rose white, rose red  
Rose up in my head  
Rose white, rose red

Yeah, yeah  
I want some  
Yeah, yeah  
There is none

I want my baby  
Where is the baby  
I want my baby  
Where is the baby

There is no milk  
There is no milk  
There is no milk  
There is no milk

Rose white, rose red  
Roses in my head  
Rose white, rose red

No

She lost all her innocence  
Gave into a an abscess  
She lost all her innocence  
She said, "I am not a feminist"

It's not yours  
Fuck you

There is no milk  
There is no milk  
There is no milk  
There is no milk  
There is no milk
