Can you stay a little while  
I just wanna watch you bleed  
Can you wait a little while  
I just want you next to me  
Can you stay a little while  
I just wanna see you bleed  
Can you wait a little while  
Yeah yeah yeah yeah

And I wonder why  
Cause I die my way  
I'm bored and I got to  
Sleep until they take me away

Can you wait a little while  
I just wanna watch you bleed  
Can you stay a little while  
I just wanna see you bleed  
Can you wait a little while  
I just want you next to me  
Can you stay a little while  
Because I am wide awakw

And I hate my way out  
And I claw my way out  
And I hate it  
It's when you're away  
Yeah yeah yeah yeah

Wait a little while  
I just wanna see you bleed  
Baby wait a little while  
Just to get you next to me

And I hate my way out  
And I claw my way out  
And I hate it  
It's when you're away
