Music: Love, Corgan, Erlandson Lyrics: Love  
Crash and burn

All the stars explode tonight  
How'd you get so desperate  
How'd you stay alive  
Help me please  
Burn the sorrow from your eyes  
Oh, come on be alive again  
Don't lay down and die  
Hey, hey  
You know what to do  
Oh, baby, drive away to Malibu  
Get well soon  
Please don't go any higher  
How are you so burnt when  
You're barely on fire  
Cry to the angels  
I'm gonna rescue you  
I'm gonna set you free tonight, baby  
Pour over me  
Hey, hey  
We're all watching you  
Oh, baby, fly away to Malibu

Cry to the angels  
And let them swallow you  
Go and part the sea, yeah, in Malibu  
..And the sun goes down  
I watch you slip away  
And the sun goes down  
I walk into the waves  
And I knew  
Love would tear you apart  
Oh and I knew  
The darkest secret of your heart  
I'm gonna follow you  
Oh baby, fly away, yeah, to Malibu  
Oceans of angels  
Oceans of stars  
Down by the sea is where you  
Drown your scars  
..I can't be near you

The light just radiates  
I can't be near you  
The light just radiates.....
