Sorry man sorry sorry I've got a bad I should've looked at it

I should've looked at it go go away go away

The sugar star the sugar star and hey your pushing it still hey

You want her on the bed with her legs wide open and here eyes are spread

Listen with punch her balls off

Mrs. jones aww mrs. jones aww

Cry me a river but just take me home

Mrs. jones aww mrs. jones

Sorry man I gotta a gut slit me fucking ran away with my abortionist

My little eyes blacked you know gizzed with

The knife they used to gut my face in

It's been out stabbing baby baby angels in

Smile smile

The skies a narcotic with us black jack bones

Ohh mrs. jones please mrs. jones my virus is raging

It's breaking my balls off mrs. jones please mrs. jones

Die so I I will i will follow you down the sick drain

When I lean on huh the sink don't worry don't worry

don't worry baby

You will you will never stink so bad whoa

Sorry man I'm sorry I shouldn't have looked at it I'm sorry man

You know I night blooming sickle cell your a night blooming sickle cell

Anyway anyway look into the bloodroot you suicide bitch

It takes an hour like you to make me wanna live

Sorry me I'm sorry man I'm sorry man wow

The skies a narcotic black jack balls off

Mrs. jones aww mrs.jones

Your little doggy won't leave me alone

Mrs. Jones please Mrs. Jones

My virus is raging it's breaking my balls off
Mrs. jones please mrs. jones
Ohh cry me a river baby just take me home
Ohh mrs. jones aww mrs. jones
Sister ectoplasma she's incredulous
Just like a pro she takes off her dress
And she kicks you down in her snow white pumps
Just remember it was me who found the lump
Your why your yah why yah yah yah hey hey
Shit shit yah you ohh yah yah yah shit shit
East is worst west is west and my eye was you and my

Mrs. Jones yah yah don't ask me again
Don't ever talk to me like that again
