Rest in peace
And me in peices
Rest in peace
And me in peices

And I will away
Your highness, I'm so high I cannot talk
And I will away
You cripple, you take away my time my peace
My dignity
No babies sleep on atrophy
Your unborn love and fetal dress
Hard bitter candy fatal caress

What was she for halloween?
The ugliest girl youve ever seen
Someday she will die for noone

Someday she wont have to fake it
Living well it self seems sacred
Someday youll die alone

He seemed to warn me to know
All that glitters is sour
All that lies in his place
Jesus saves (saves)

Old age
Old age
Old age
Old age

Its okay to kill your idols
Just pretend you have no rivals
They all think that she is headless

Spits at mirrors its not an issue
Just remove this hateful tissue
They all think that we were freindless

He seemed to warn me to know
All that glitters is sour

All that lies in my place
Jesus saves (saves)

Old age
Old age

Old age
Jesus saves

And i begged him i said pretty please
Just make me pure again
Just make me clean

What was she for halloween?
Ugliest girl youve ever seen
Someday she will die for noone.....

What was she for valentines?
An old forgotten rape of mine
Someday she will die alone

He seemed to want me to know
All that glittered was sour
All that lied in his place
Jesus saves

Old age
Old age
Old age
Jesus saves

Rest in me
And peices..
Rest in peices
Peices peices

Sorry
Sorry
Sorry
Sorry.....

(she said, she said)
Rest in peices
Me in peices
Rest in peices
Peices, Peices
