Hey You  
Save me  
Now you look over me  
He's got me locked in a box  
He's got me locked in a box  
My Messaih come and save me  
Now you left my life be free  
I drip the peaches on the floor  
Roses red not anymore  
You are my original sin

I'd take it all for just one kiss  
I'd fall into the abyss  
My man come and save me  
Now you let my life be free  
My man come and save me  
Mary Mary Mary way to be  
Just hate you  
He controls everything I see  
He said now you bothered my disease  
The waters dead and he's fucking high  
And I'm in just as much pain as you  
My mam come and save me  
?

I just got back from hell  
God Boy is still in hell  
My Messaih Rose up from the mud  
watched him just sweat the blood  
My man come and save me  
Mary Mary Mary way to be  
Just want to stop  
You're getting better  
Just want to stop  
You're better yeah  
My Messaih come and save me  
???

Oh god I love to hate  
Always in a and out embrace  
Oh God I love to hate  
Always in and out embrace  
Looked up at the sky  
Watched the sky turn blue

Everything I think about  
Is all for you? All I could say is shit it hurts  
?  
Fuck me I'm stiched  
Fuck me I'm rich  
Fuck me oh you can't because I married a bitch
