She's a bimbo playing on the damn phone

I can really fuck you up, yeah

Because I'm the demon buttercup

You have to spit to see the shine

I see the carcass in your eyes

Before I go to sleep

Get it away from me

See the demon whore has eyes

Well, everything you look at dies

I gotta run up the phone bill

Because I'm a loser buttercup, uh-huh

Before I fall in too

Baby, I don't owe you

I could really suck you in

And you'll never see the light again

I gotta run up your phone bill

Because I'm a loser buttercup, uh-huh

Oh, I just want more

Baby, I just get bored
