He shakes his dead rattle  
Spittle on his bib  
And I don't do the dishes  
I throw them in the crib

I'm eating you, I'm overfed  
Your milk's in my mouth  
It makes me sick

Now I've stumbled here  
Failed to make it mine  
They say I'm plump  
But I throw up all the time

I'm eating you, I'm overfed  
Your milk's in my mouth  
It makes me sick

Do you fake it for me like I?  
Do you fake it for me like I?  
Do you fake it for me like I?

My baby's in her arms  
Crawling up her legs  
Like a liar at a witch trial  
You look good for your age

I'm eating you, I'm overfed  
You milk's in my mouth  
It makes me sick
