Slut-kiss girls won't you promise her smack
Is she pretty on the inside
Is she pretty from the back
Slut-kiss girl won't you water her back
Is she pretty on the inside
Baby pretty from the back
Slut-kiss girl molasses rot black strap
Is she ugly on the inside
Baby ugly ugly from the back
There is no power my pretty power
My pretty power my ugly
Slut-kiss girls won't you promise her smack
Is she pretty on the inside
Is she ugly ugly ugly ugly ugly ugly ugly ugly

Bad boy
Rows and rows of angel hair
And ice cream castles in the air
And fiberglass yeah where lots of clouds that way
Moons and Junes and ferris wheels
the dizzy dancing that you feel
When every fairy tale comes real
lots of clouds that way

But now they only block the sun
They rain and snow on everyone
so so many things
I could have done, well
clouds clouds got in the
oh angel dust gets in your acid hair
On acid stars you're getting there
my body is a temple and I'm going to give it to you
When you die
It's alright that way
But now it's just a malice show
Your living life as, as you go

It's all doll after doll
it's all a doll no a doll
Give me a shelf of a whore
Yah now my friends are ugly strange
They shake their heads man
They keep us a trapped well
We'll send this love as
Rearrange of who of
Baby I look at life from pictures now
From riddle love and streets of gold
He says he reached of a candy heart of
I really don't know
I really don't know
I really don't know
I really don't know
I really don't know
like I used to
Yah
