retard girl, she makes us sick
retard, poke her with a stick
well, she walks funny
kind of like a pig
gotta hate that retard girl
see that retard girl walking in her school
in the same dress from fourth grade
see the retard girl, cross-eyed in the schoolyard
looking for the friend she made
retard girl, retard girl.
retard girl don't forget her face
now shines the moon
among the lake of fire
she's sucking dick out in the yard
well, she walks funny kind of like a pig
god, i hate that retard girl
hit the retard girl, do one for me
she don't think like the others do
see the retard girl squirming in the mud
throw her in the trash can
see what she does

retard girl, retard girl
retard girl, don't forget her face
i asked her mother
why'd you implode
well, her head's so big
it just might explode
and she walks funny
kind of like a pig
god, i hate that retard girl
hit her
see that retard girl staring at the sun
what does she see
see the retard girl stare at everyone
i hope she doesn't see me retard girl
the retard girl, the retard girl
don't forget her face
the retard girl, the retard girl
don't throw her away
