album - "Pretty on the Inside"

song - "Teenage Whore"

When I was a teenage whore

My mother asked me

She said, "Baby, what more?

I give you plenty. What do you want more?

Baby, why are you a teenage whore?"

I said, "I feel so all alone and I, I wish I could die."

See the things you put me through and I, I wish I could die.

When I was a teenage whore

The rain came down like it never did before

I pay good money not to be ignored

Then why am I a teenage whore?

I've seen your repulsion and it looks real good on you

Tonight....what you put me through

Out of my house

Get out of my house

Get out of my house

Get out of my house

When I was a teenage whore

My mother asked me

She said, "Baby, what more?

I give you plenty. What do you want more?

Baby, why are you a teenage whore?"

I've seen your repulsion and it looks real good on you

I don't want to live what you had, you have put me through

I wanted that shirt and I, I wanted those pants

It's all that I put me through and I, I never had a... why?
