Where is the needle?  
Where is the gun?  
Where is the bullet?  
AWWW!!  
Where is the noose,  
To turn you loose?  
Where is your needle?  
AWWW!!  
Starts out like magic  
Some sick religion  
That ain't no vulture  
That's a fuckin pigeon  
He's got vultures in his hair  
And blood and feathers,  
They are everywhere  
You want retreat  
Filthy and deep  
A dead moon,  
A drunken sleep  
I know whose porno that you burn  
And I'll be everywhere you turn  
And baby there,  
There is a room  
Full of death and whores and you  
And I'm waiting in that room  
And I'll wait forever for you  
It's all whores,  
It's all pain,  
It's all disease, man,  
It's all the same  
My little Judis,  
My little twin,  
Where you start,  
That's where I begin  
I want it now, she said  
I want it now, she said  
I want it now, she said  
I want it now, she said  
And you don't listen  
To a word I say,  
Just masturbate your life away  
You don't listen

To a word I say,  
Just masturbate your life away  
(Just masturbate your life away)  
(Just masturbate your life away)  
You don't listen  
To a word I say,  
Just masturbate your life away  
Just masturbate your life away  
Yeah,  
Yeah Yeah,  
Yeah Yeah,  
Yeah Yeah,  
You don't listen  
To a word I say,  
Just masturbate your life away  
You don't listen  
To a word I say,  
Just masturbate your life away, yeah yeah  
Yeah  
Yeah  
Come back  
Come back
