You feed the pain inside me  
I scream insane inside you  
I can't tell you why you feel the way you do

You see ugly in my eyes  
I'm blind from beautiful lies  
You can't tell me why I feel the way I do

Love, all ever I wanted was your love  
Your love

Why can't you feel the way I feel  
I thought you wanted something real  
Why can't you feel the way I, feel the way I, feel the way  
I feel  
I'd beg and borrow, kill and steal  
Why can't you feel the way I feel  
Why can't you feel the way I, feel the way I, feel the way  
I feel

I hear the hate in your thoughts  
You watch my love as it rots  
You can't make me feel the way you want me to

I stole your heart but it's numb  
You never knew it was gone  
I can't make you feel the way I want you to

Love, all I ever wanted was your love  
Your love

Why can't you feel the way I feel  
I thought you wanted something real  
Why can't you feel the way I, feel the way I, feel the way  
I feel  
I'd beg and borrow, kill and steal  
Why can't you feel the way I feel  
Why can't you feel the way I, feel the way I, feel the way  
I feel

Have you felt the way I feel  
Can you tell me, what's your deal

Cold inside your living hell  
You will never let you feel

Let it go, let it go, let it go

Why can't you feel the way I feel  
I thought you wanted something real  
Why can't you feel the way I, feel the way I, feel the way  
I feel  
I'd beg and borrow, kill and steal  
Why can't you feel the way I feel  
Why can't you feel the way I, feel the way I, feel the way  
I feel

I can feel, I... I can feel  
I can feel, I... I can feel  
I can feel, I... I can feel  
I can feel, I... I can feel love

I can feel, I... I can feel  
I can feel, I... I can feel
