Let me twist your little brain
Watch you go insane
Oh you're such a lame
Just one of the same

Ever think to try
Find the reason why
Life is such a lie
Sit and watch it die

Gotta let it go
Time for me show
Everything you know
Isn't really so

Tired from the hunt
Got you where I want
Cry and moan and grunt
You called me the runt

Let me show you the way to my dreams
Don't fear, crazy as it seems
I'll be the man with the plan
I'll save the world if you just Let me,
Let me, Let me, Let me

Let me put you in a haze
Run you though maze
Reason just decays
Leave you in a craze

Watch you scream and shout
Beggin' to get out
You just shut your mouth
That's what loves about

Puppets on a string
Doesn't mean a thing
All hail the king
Hear the faithful sing

Hearts ripped and torn

Bit by every thorn
You ignore my scorn
Stranded and forlorn

Â

Let me show you the way to my dreams
Don't fear, crazy as it seems
I'll be the man with the plan
I'll save the world if you just Let me,
Let me, Let me

Color your world with false dreams that you long to
come true
Just believe all I do is for you
No need to ask or question the powers that be
Stay in line and benign follow me

Let me show you the way to my dreams
Don't fear, crazy as it seems
I'll be the man with a plan
I'll save your world if you just
Show on the way to my dreams
No fear, crazy as it seems
I'll be the man with a plan
I'll end your world if you just Let me,
Let me, Let me, Let me
Let me, Let me, Let me, Let me
Let me, Let me, Let me, Let me
Let me, Let me, Let me, Let me...
