I'm broken, I'm open  
My hearts on the table  
You cut me, you kill me  
Save me if you're able

I'm bleedin', I'm needin'  
The hands of an angel  
You stitch me, you fix me  
For that I'm grateful

Hey lifesaver, do me a favor  
Put me back together again  
I said hey lifesaver, I'm scared and I'm screamin'  
Save my life this can't be the end

I'm wantin' to fly, not wantin' to die  
Don't send me six feet underground  
I'm takin' a chance, my life's in your hands  
And I'm not goin' down...

I'm shakin', I'm achin'  
The pain's just too much  
You numb and sedate me  
Till I lose your touch

To love me or hate me  
Makes no difference now  
Just save me  
And I don't care how

Hey lifesaver, do me a favor  
Put me back together again  
I said hey lifesaver, I'm scared and I'm screamin'  
Save my life this can't be the end

I'm wantin' to fly, not wantin' to die  
Don't send me six feet underground  
I'm takin' a chance, my life's in your hands  
And I'm not goin' down...

Save me...  
Don't you feel it beatin'

I'm still breathin' now  
Don't you see me bleedin'  
I'm still hurtin' now

Save me...  
Don't you hear me screamin'  
I'm still breakin' down  
Don't you know I'm needin'  
I'm still freakin' out

Save me...  
Lifesaver save me 'cuz I gotta life I wanna live  
Save me...  
You got to save me 'cuz I got too much I wanna give

I'm broken  
I'm open  
My hearts on the table  
You cut me  
You kill me  
Save me if you're able...

I'm wantin' to fly, not wantin' to die  
Don't send me six feet underground  
I'm takin' a chance, my life's in your hands  
And I'm not goin' down...

I'm wantin' to fly, not wantin' to die  
Don't send me six feet underground  
I'm takin' a chance, my life's in your hands  
And I'm not goin' down...
