It started out when she said to me  
"I've had enough of your personality"  
And that's the moment that she set me free,  
And I'm alright,  
I will be alright now

I know you're giving up slowly,  
And now you're taking me back,  
Back to the day when you swore  
All you wanted was to hold me,  
Too bad your hands were full,  
It's nothing personal, yeah

Before you're ready for someone else  
You gotta learn to be alright by yourself,  
You think you're leaving me on that shelf,  
But I'm alright,  
I will be alright now

I know you're giving up slowly  
And now you're taking me back,  
Back to the day when you swore  
All you wanted was to hold me,  
Too bad your hands are full  
It's nothing personal

I know you're giving up slowly,  
Now you're taking me back to the day  
When you swore all you wanted was to hold me,  
Too bad your hands are full  
It's nothing personal, yeah

On and on you go,  
You're gone,  
I'm gonna get, get back to finally moving on  
And on you go,  
You're gone,  
I'm finally leaving the place where you had me all  
along,

And I know you're giving up,  
You're giving up,

And now you're taking me back to the day  
When you swore all you wanted was to hold me,  
Too bad your hands are full,  
It's nothing personal, yeah

I know you're giving up slowly,  
And now you're taking me back,  
Back to the day when you swore  
All you wanted was to hold me,  
Too bad your hands are full  
It's nothing personal

I know that you're giving up slowly (you're giving up)  
Now you're taking me back (you take me back to)  
Back to the day when you swore all you wanted was to  
hold me (wanted was to hold me)  
Too bad your hands are full (it's nothing personal)  
Too bad your hands are full  
It's nothing personal, yeah
