I guess I packed my bags and left so fast
You always said I had places to go
The way I felt in Tennessee is that I lost my family
And everything Iâ€™ve always known
And memories kept falling down on me
Of different times when we were all complete

Can you believe that my homeâ€™s away from home?
Can you believe that I made it on my own?
But I made it on my own because of you

Weâ€™ve had our hard timeâ€™...friends that weâ€™ve lost
I guess that love just comes with a cost
Heartache for days before we all slipped away
Well I promise that Iâ€™ll never let those fade

Can you believe that my homeâ€™s away from home?
Can you believe that I made it on my own?
But I made it on my own because of you
