Holland "One Minute To Zero"

Visit "One Minute To Zero" on MotoLyrics.com

Could this be true? Could this be right for you To second guess yourself? You've made your mistakes How long will it take To see that you can't do this on your own?

One minute to zero And I'm laying down the law One minute to zero And this is my final call

Could you believe That everything you see is a possibility? To sooner become a bigger tragedy When put in the hand of someone like yourself

One minute to zero And I'm laying down the law One minute to zero And this is my final call
