Take me back, baby
Let me feel
Feel your arms around me
Let me hold you close
And make you mine again

You know that I (still love you)
Got to have you, baby
You know that I (still need you)
Oh, I need you, baby, oh, oh

Don't leave me starving
For your love, baby
Don't let me feel the pain
Don't leave me starving
For your love, baby
Don't let me feel the pain

You know I care, gave you love
Every time you wanted me
Sweet baby, let me back
In your arms again

You know that I (still love you)
I got to have you, baby
You know that I (still need you)
I need you, baby, oh, oh

Don't leave me starving
For your love, baby
Don't let me feel the pain
Don't leave me starving
For your love, baby
Don't let me feel the pain

Because I'm afraid
I'm afraid, baby
Can't face another day without you
I'm afraid, I'm afraid, baby
Got to have you by my side, yeah
I'm afraid

(CHORUS)
