Sometimes I feel like
There's no use in trying
Why can't I face the fact
We've lost, we'll never get back

I don't know where
Where did we go wrong
I say I'm leaving but
My feelings are too strong

And, baby, you know
I'm in love, baby
So in love with you, darling
And I'll never be leaving
No, I'm just make believing

I'm in love, darling
So in love with you, baby
When I say I'm leaving
Girl, I'm just make believing

Mmm hmm, I ain't going nowhere
No, baby, I ain't going nowhere
Oh, darling, talk to me
My, my, my, my, my

Girl, you're the
Habit I can't break
I'd fall apart if you
Weren't there when I awake

I've said I'm leaving
But I don't have the heart
I can't picture you, baby
You and I being apart

If I say goodbye
It doesn't mean I'm going
And if I say there ain't no love
You may still see it showing

Ooh, ooh, baby

Why can't we be lovers
Oh, darling, from loving you
I'll never recover

If I say goodbye
It doesn't mean I'm going
And if I say there ain't no love
You may still see it showing

Ooh, ooh, ooh, ooh, baby
Why can't we be lovers
Oh, darling, from loving you
I'll never recover

Baby, why can't we be lovers
Oh, darling, hey, from loving you
I'll never recover

Cause I'm in love
(I'm in love with you, baby)
So in love
(I'm so in love with you)

And I'll never be leaving
(You know I ain't going nowhere)
Just make believing
(Make believing all the time)

I'm in love
(That's all I ever do)
So in love
(I'm so in love with you)

And I'm make believing
(Can't take what I say seriously)
When I say I'm leaving

I'm in love, baby (hey, baby)
(Baby) so in love with you
(I love you, don't you understand)

And I'll never be leaving
(I ain't going nowhere)
Girl, I'm just make believing
(Nowhere)

I'm in love
(I'm so crazy about you)
Ooh, so in love
(This is it for me, mama)

And I'll never be leaving
(I'll never be leaving)
Just make believing
(I love you, you understand)

Just make believing
(I just make believe)
I'll never be leaving
(I ain't going nowhere)
