Tell me tell me how I'm doing tonight
I could take this forever
The more I get the better all right
C'mon and spoil me
Let me be the apple of your eye
I could take this forever
The more I get the better all right

This ain't my first time but
It's never been like this before
Can this be magic
I can't keep my feet on the floor

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me

Tell me tell me how I'm doing tonight
I could take this forever
The more I get the better all right
C'mon and spoil me
Let me be the apple of your eye
I could take this forever
The more I get the better all right

Hey sugar mama gaze into your crystal ball
I'm in there hoping you'll want me at your beck and call

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me

Tell me tell me how I'm doing tonight
I could take this forever
The more I get the better all right
C'mon and spoil me
Let me be the apple of your eye
I could take this forever

The more I get the better all right

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me

Love c'mon and cast your spell on me
C'mon c'mon c'mon c'mon
Love c'mon and cast your spell on me
