You say that you want me and now that you've got me,
you're gone
Think what you're doin' or else you'll regret what you've
done
Don't come back tomorrow and say what we did wasn't
right
You'll cry on your pillow and find it hard to sleep at
night

Have you ever loved somebody?
Don't you know just what it's like?
Hurting someone that you're close to
Have you ever loved all night, all night?

Remember, what happened the last time that you said
goodbye
Remember, the saying that once bit and I'll be twice shy
It's no use me crying, there is no denying, it's right
When thinking has ruined the feeling that we had to
fight

Have you ever loved somebody?
Don't you know just what it's like?
Hurting someone that you're close to
Have you ever loved all night, all night?

If you hear people talking now
Will you laugh or cry?
If you cry, I'll sympathize with you
If you laugh, I'll die, if you laugh, I'll die

You say that you want me and now that you've got me,
you're gone
Think what you're doin' or else you'll regret what you've
done
Don't come back tomorrow and say what we did wasn't
right
You'll cry on your pillow and find it hard to sleep at
night

Have you ever loved somebody?
Don't you know just what it's like?

Hurting someone that you're close to
Have you ever loved all night, all night?

Have you ever loved somebody?
Don't you know just what it's like?
Hurting someone that you're close to
Have you ever loved all night, all night?
