"Heading For A Fall"

You say that you want me
I've no cause to doubt you
My friends tell me different, that's all
They say that I'm blind
But I know all about you

I know that I'm heading for a fall
I know that I'm heading for a fall

I seem to be hypnotized
By all your beauty
A subject to your beck and call
Your arms magnetize me
When I'm here beside you

I know that I'm heading for a fall
I know that I'm heading for a fall

Or am I wasting my time?
Or am I wasting my time?

Or am I wasting my time?
Or am I wasting my time?

What is it about you
That tempts me and taunts me?
I can't understand it at all
If I try to leave you
I know that you'll haunt me

I know that I'm heading for a fall
I know that I'm heading for a fall
