## "Hey Willy"

Hey Willy, your mother calls you Billy  
Your father calls you silly  
But you really are a pretty one

Hey baby, you're dressing like a lady  
The fellows call you Sadie  
But you really are a pretty one

You don't care  
What they say about your hair  
'Cause the bad man's smiling  
Every time he sees you comin', yeah

Willy is the singer in a rock 'n' roll band  
Every time he shows his face  
It's just to put away a grand, oh yeah

Oh yeah  
Willy's gonna show them now  
No no no no  
Willy's gonna go somehow

My name's Willy gonna turn on the lights  
Playing rock 'n' roll music to early early night  
Can't stop dancing to the rhythm in your feet  
Listen to the drummer yeah listen to the beat

Oh yeah  
Willy's gonna show them now  
No no no no  
Willy's gonna go somehow

Hey Willy, your mother calls you Billy  
Your daddy calls you silly  
But you really are a pretty one

Hey baby, you're dressing like a lady  
The fellows call you Sadie  
But you really are a pretty one

You don't care  
What they say about your hair

'Cause the bad man's smiling  
Every time he sees you comin', yeah

Willy is the singer in a rock 'n' roll band  
Every time he shows his face  
It's just to put away a grand, oh yeah  
Oh yeah

Willy's gonna show them now  
No no no no  
Willy's gonna go somehow
