(Clarke / Hicks / Nash)

You're high classed
Well, your taste is good
I know I can't love you
Like I know I should
But we've got a good understanding
Ah, we've got us

You wear good clothes
When I wear rags
You got educated friends
But we've got a good understanding
We've got us
We can't be seen in public
Oh, we gotta find lowly places to go
If they see me
Walking with you
Your friends'll cut you dead
I've seen it happen, I know

You eat caviar
When I eat toast
You know I can't buy you
The things you like most
We've got a good understanding
We've got us

Ah, sing those songs

Break

We can't be seen in public
Oh, we gotta find lowly places to go
If they see me
Walking with you
Your friends'll cut you dead
I've seen it happen, I know

You eat caviar
When I eat toast
You know I can't buy you

The things you like most
We've got a good understanding
We've got us

Oh, yeah, aw, we've got us
Believe me
We've got us
