How do I survive if you break my heart?

I'm not strong enough  
Just to smile and make things easy  
I can't put on my brave face anymore

I always took it for granted  
That I could take whatever you gave me  
I guess, you never really know for sure

'Cause there was never a doubt in mind  
How it was meant to be  
So who do I turn to darlin' if you should leave

How do I survive if you break my heart?  
How do I survive if you break my heart?

I've got no excuses  
For bein' your fool  
I never thought that it would be forever

But after so much time together  
I've come to depend on you  
What else am I supposed to do?

'Cause there was never a doubt in mind  
It wouldn't be easy  
But I never realized how much you mean to me, ho

How do I survive if you break my heart?  
How do I survive if you break my heart?

But there was never a doubt in mind  
How it was meant to be  
So who do I turn to darlin' if you should leave?

How do I survive if you break my heart?  
How do I survive if you break my heart?  
(How do I survive?)

How do I survive if you break my heart?  
(If you break my heart)

How do I survive if you break my heart?  
(Whooh, whooh)

How do I survive if you break my heart?  
(How do I survive?)  
How do I survive if you break my heart?  
(Whooh, whooh)  
How do I survive if you break my heart?
