And every time I get to thinkin'  
With every thought of you, I wanna shout aloud  
And then I think about the love I had inside me  
How you brought what's inside out

So now love's made it to the outside  
I wanna tell the world of everything I've found  
Somehow your love released a spring wound up inside  
me  
You've turned my living upside-down

And I can't tell the bottom from the top  
Am I standing on my head or on my heels?  
Is it cloudy is it bright?  
Is it day or is it night?  
Am I wrong or am I right?  
And is it real?

Tell me where you learned the magic  
The spell you used the day you made me fall  
Baby, now I know that love is no illusion  
I'm upside-down but ten feet tall

And I can't tell the bottom from the top  
Am I standing on my head or on my heels?  
Is it cloudy is it bright?  
Is it day or is it night?  
Am I wrong or am I right?  
And is it real?

On and on I drifted with the tide  
I didn't know that love could move me so  
You filled my life with love and much more besides  
And you showed me which way to go

And I can't tell the bottom from the top  
Am I standing on my head or on my heels?  
Is it cloudy is it bright?  
Is it day or is it night?  
Am I wrong or am I right?  
And is it real?

And I can't tell the bottom from the top  
Am I standing on my head or on my heels?  
Is it cloudy is it bright?  
Is it day or is it night?  
Am I wrong or am I right?  
And is it real?
