Close your eyes, close the door
You don't have to worry anymore

I'll be your little baby tonight

Shut the light, shut the shade
You don't have to be afraid

I'll be your baby tonight

Well the mockingbird's gonna sail away
You won't regret it

The big fine moon's gonna shine like a spoon
You won't regret, you won't forget

To get your shoes off, do not fear
Bring that bottle over here

I'll be your baby tonight

Well the mockingbird's gonna sail away
You won't regret it

The big fine moon's gonna shine like a spoon
You won't regret, you won't forget

To get your shoes off, do not fear
Bring that bottle over here

I'll be your baby tonight

I'll be your baby tonight
