The Hollies  
I'm Talking About You  
(Chuck Berry)  
Track 1 on album 'Stay With The Hollies' January 1964

Let me tell you about a girl I know  
I met her walking down Lowtown Street.  
Well, she's so fine  
Well, I wish she were mine.  
I get shook up everytime we meet.

I'm talking about you.  
Nobody but you.  
I do mean you now.  
I'm just trying to get a message to you now.

Let me tell you about a girl I know.  
I tell you now, she looked so good.  
Well, guys stood still  
at such a beautiful build.  
She had a face right out of Hollywood.

I'm talking about you.  
Nobody but you.  
I do mean you now.  
I'm just trying to get a message to you now.

{interlude}

Let me tell you about a girl I know.  
I tell you now, she looked so good.  
Well, guys stood still  
at such a beautiful build.  
She had a face right out of Hollywood.

I'm talking about you.  
Nobody but you.  
I do mean you now.  
I'm just trying to get a message to you now  
yeah oh aha....
