Indiana wants me
Lord I can't go back there
Indiana wants me
Lord I can't go back there
I wish I'd a you to talk to

If a man ever needed time, he did
No-one had the right to say what he said about you
And it's so cold and lonely here without you
Out there the law's a-coming
I'm scared and so tired of running

Indiana wants me
Lord I can't go back there
Indiana wants me
Lord I can't go back there
I wish I'd a you to talk to

It hurts to see the man that I've become
And to know I'll never see the morning sun shine on the
land
I'll never see your smiling face or touch your hand
If just once more I could see
You, at home, and our little baby

Indiana wants me
Lord I can't go back there
Indiana wants me
Lord I can't go back there
I wish I'd a you to talk to

I hope this letter finds its way to you
Forgive me love for the shame I've put you through and
all the tears
Hang on love to the memories of those happy years
Red lights are flashing around me
Yeah love, it looks like they foun dme

Indiana wants me
Lord I can't go back there
Indiana wants me
Lord I can't go back there

I wish I'd a you to talk to

Indiana wants me
Lord I can't go back there
Indiana wants me
Lord I can't go back there
