Does she love me, I wanna know
How can I tell if she loves me so

Is it in her eyes
Oh no, you'll be deceived
Is it in her sighs
Oh no, she'll make believe
If you wanna know if she loves you so
It's in her kiss, that's right, it is

Is it in her face
No, no, it's just her charm
In her warm embrace
No, no, that's just her arms
If you wanna know if she loves you so
It's in her kiss, that's right, it is
Oh yeah, it's in her kiss, that's right, it is

So hold her and squeeze tight
Tell her what you wanna know
If it's love, if it really is
It's there in her kiss

How 'bout the way she acts
Oh no, that's just the way

You're not listening to the words that I say
If you wanna know if she loves you so
It's in her kiss, that's where it is
Oh yeah it's in her kiss, that's right, it is

If you wanna know if she loves you so
It's in her kiss, that's where it is
Oh yeah it's in her kiss, that's right, it is

So hold her and squeeze tight
Tell her what you wanna know
If it's love, if it really is
It's there in her kiss

How 'bout the way she acts
Oh no, that's just the way

You're not listening to the words that I say
If you wanna know if she loves you so
It's in her kiss, that's where it is
Oh yeah it's in her kiss, that's right, it is
