Life is good looking through the eyes of love
Beautiful looking through the eyes of love

But you know, I'm telling you, girl
Life ain't all the same
Take a look, take a look around you now
You'll find that though it seems great
Life is just a crazy scene

You and me seem to see right through a haze
People laugh but we both know that it pays

But you know, I'm telling you, girl
Life ain't all the same
Take a look, take a look around you now
You'll find that though it seems great
Life is just a crazy scene

I want you to know how I feel
When you go, the world ain't real

I want you to know how I feel
When you go, the world ain't real

It's all balanced on the keen edge of a knife
Let's all laugh at the craziness of life

But you know, I'm telling you, girl
Life ain't all the same
Take a look, take a look around you now
You'll find that though it seems great
Life is just a crazy scene
