Sippin' at the wine
Drinkin' all the time
Drinkin' kinda slow
Hopin' it won't go
See when I get dry
I just sit and cry over my baby

Seems that in the past
It was gonna last
Somewhere it went wrong
All the good time's gone
But I don't know why
So I sit and cry over my baby

Well, now yeah, I thought that, I thought that
If we could take it, we'd love each other so much
We'd be sure to make it, but oh baby, oh my baby
Look what we've got, there's nothin' at all

Thinkin' of the bad times
Stretched out on my bed
Images of you, girl
Runnin' through my head
Wish that I could die
So I lay and cry over my baby

Sippin' at the wine
I'm drinkin' all the time
I'm drinkin' kinda slow
And I'm hopin' it won't go
See when I get dry
I just sit and cry over my baby

Well, now I thought that, I thought that
If we could take it, we'd love each other so much
We'd be sure to make it, but oh baby, oh, my baby
Well, look what we've got, there's nothin' at all

Look what we've got, there's nothin' at all
Look what we've got, look what we've got
Nothin' at all, look, look what we've got
It's nothin' at all, yes, look what we've got
