(Jennings / Watt-Roy)

I'm looking through at yesterday
All my life thrown away
Keep searching for the same old clue
How can I get to you

Cast your spell upon me one more time
I wanna feel your magic woman touch
Cast your spell upon me one more time
I wanna feel your magic woman touch

I know there's been a change in me
Ask me why I don't know
My friends no longer speak to me
Pass me by I don't know

Cast your spell upon me one more time
I wanna feel your magic woman touch
Cast your spell upon me one more time
I wanna feel your magic woman touch

I've made up my mind
On what I'm gonna do
This feeling inside
Making it all right, making it all right
Making it all right with me

Break

Cast your spell upon me one more time
I wanna feel your magic woman touch
Cast your spell upon me one more time
I wanna feel your magic woman touch

Cast your spell upon me one more time
I wanna feel your magic woman touch
Cast your spell upon me one more time
I wanna feel your magic woman touch

Cast your spell upon me one more time
I wanna feel your magic woman touch
