Thought I'd take a trip down to the old world
'Cause I heard a lot of things about the North American
girls
I was lookin' for a lady, someone to have my baby

So I got me on a 747 Pan American plane
I sat me down next to your all American dame
Said I'm going up North, she said it's a pity
Then she told me all about the gold down in Mexico City

Oh, she said Lordy, Lordy, watch the blue smoke flyin'
And every mornin' and every night to get you out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Oh, man oh, Lordy, Lordy needs a natural high
When you're livin' down south and it's goin' right out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Got off the plane, went to the customs and they gave
me a list
Do you carry a gun, take drugs, or are you Communist?
They said my papers were in order
I wasn't stayin' long, no sir, I'm goin' South across the
border

Oh, she said Lordy, Lordy, watch the blue smoke flyin'
And every mornin' and every night to get you out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Oh, man oh, Lordy, Lordy needs a natural high
When you're livin' down south and it's goin' right out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Took the first South bound across the Rio and down
Found a little place in the small Mexico town
Just me and my lady, now she's havin' my baby

Oh, she said Lordy, Lordy, watch the blue smoke flyin'

And every mornin' and every night to get you out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Oh, man oh, Lordy, Lordy needs a natural high
When you're livin' down south and it's goin' right out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Oh, she said Lordy, Lordy, watch the blue smoke flyin'
And every mornin' and every night to get you out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)

Oh, man oh, Lordy, Lordy needs a natural high
When you're livin' down south and it's goin' right out of
your head
(Lordy, Lordy, Lordy, Lordy, Lordy)
