Oh let's (let's)
get (get)
right (right)
on down (down)
to the real (real)
nitty gritty (nitty gritty)

Some folks know about it some don't (some don't)
Some folks learn to shout it some won't (some won't)
But sooner or later baby
Gonna get right down to the real nitty gritty
Get right down to the real nitty gritty yeah
C'mon and get right down to the real nitty gritty yeah
Get right down to the real nitty gritty yeah)
One two (nitty gritty) three
Get right down to the real nitty gritty

One two three four

Something's got a hold on me
Yeah must be love
Whoah something's got a hold on me right now
Yeah must be love

Well I got a feeling and I feel so strange
and everything about me seems to have changed
Step by step I gotta find me a walk
I even sound different when I talk

I said oh (oh) oh (oh) oh (oh) wow
Something's got a hold on me
and it must be love

chorus

Well I never felt this way before
Something's got a hold on me and won't let go
Believe I'd fly just a whole day for you
It sounds so strange but it feels so good

I said oh (oh) oh (oh) oh (oh) wow
Something's got a hold on me

and it must be love

Well now my heart feels heavy and my feet feel light
I shake all over but I feel all right
I never thought this could happen to me
Well I'm in heaven when I'm in misery
Well I never thought this could be this way
Well I know baby that this is the day
Well I never thought it could be this way
But now you're gone It's been a-hurtin' on me

I said oh (oh) oh (oh) oh (oh)
Somehting's got a hold on me
and it must be love

You know it's like love
Talks like love
Yeah it feels all right
You know I feel all right
Walk like love now
Yeah walks like love
I'm talkin' about love yeah yeah yeah
Know about love
I feel all right now
Feel all right yeah yeah yeah
Well walks like love
Well talks like love all right

chorus

I never felt this way before
Something's got a hold on me and won't let go
Believe I'd fly to just a whole day for you
It sounds so strange but it feels so good

I said oh (oh) oh (oh) oh (oh)
Somehting's got a hold on me
and it must be love
Yeah it must be love
Whoa it must be love
