Perfect lady housewife her totally detached  
Sepulcher is painted white it's antique suite  
unscratched  
A veritable show case it shines like a new pin

Everything is in its place  
And there's a place for everything, everything

A, B, C, D  
That's the way it's gotta be, hey  
1, 2, 3, 4  
Count them up and know the score

Foot upon the parquet makes her awfully vexed  
Onset of vile anarchy oh Lord, whatever's next  
Messiness is no excuse it's showing no respect

Random factor introduced  
Just goes and spoils the whole effect

A, B, C, D  
That's the way it's gotta be, yeah  
1, 2, 3, 4  
Count them up and know the score

Efficient official his patience overtaxed  
Don't these people know that rules can never be  
relaxed  
He could be humanized, you would never imagine

Everyone is categorized  
And there's a place for everything

A, B, C, D  
That's the way it's gotta be, yeah  
1, 2, 3, 4  
Count them up and know the score  
Come on the floor

D, C, B, A  
You can read it anyway, yeah  
1, 2, 3, 4

Count them up and know the score  
Get down the score

A, B, C, D  
That's the way it's gotta be, yeah  
Gotta be
