Please sign your letters  
Please don't make me blue  
Please sign your letters  
And then I'll know it's you

Can't stop thinkin' of you  
You're always on my mind  
Please sign your letters  
Please don't be unkind

I read your letter  
I read most every line  
You said, you loved me  
Said, you would be mine

My heart was jumpin'  
Somethin' shook my mind  
I found your letter  
Was left unsigned

Please sign your letters  
Please don't make me blue  
Please sign your letters  
And then I'll know it's you

Can't stop thinkin' of you  
You're always on my mind  
Please sign your letters  
Please don't be unkind

Your letter said, "We'd met some time ago  
I'd like to see you"  
But somehow you just won't show  
I just don't know which way to go

Your letter said, "We'd met some time ago  
I'd like to see you"  
But somehow you just won't show  
I just don't know which way to go

Please sign your letters  
Please don't make me blue

Please sign your letters  
And then I'll know it's you

Can't stop thinkin' of you  
You're always on my mind  
Please sign your letters  
Please don't be unkind

Please sign your letters  
Please don't be unkind
